## ACCESSIBILITY INFORMATION

We are a 3 minute walk from Clifton Down Railway Station,  
Taxi Stop & Bus Stop.

There is daytime street parking in the area for 3 hours maximum during the week. Parking is free from 5pm and on weekends.

There is also parking available in the Clifton Down shopping centre, approx. 300 metres away, accessed by a sloped traveller (multiple accessible parking spaces and no steps).

There is an 100cm gap in the wall to enter the outside seating area at the front of the restaurant.

There are 2 large steps leading down to the restaurant. The door is not automatic, but a member of our team will be happy to come and open it for you and offer any assistance required. The door opens inwards to a width of 80cm.

Unfortunately, our toilets are not accessible due to the steps outside of the restaurant. There is an accessible toilet within Clifton Down shopping centre, open from 8am-10pm.

We offer table service.

The lighting level is quite low throughout Condesa & we play quite loud music.
