Condesa is a passion project inspired by research trips to Oaxaca, Tequila, Mexico City, Guadalajara, Puebla and La Condesa by our team and owners since 2007.

Inspired by the biodynamic farming and agriculture we learnt about in Mexico, we searched for local and regional ingredients that have been raised, grown, harvested and produced as sustainability as possible.

The farmers, fishermen and suppliers we work with practice small-scale, hand-made, artisanal methods that deliver quality British ingredients which we combine with a Mexican larder to create Condesa.

Our community of friends and suppliers are as follows:

Mark & Julian | Ashton Court | Venison | Bristol

Henry | Belmont Estate | Beef & Lamb | Bristol

Sam | Bristol Beer Factory | Beer & Cider | Bristol

Jonny | Conscious Fish Company | Fish & Seafood | Bristol

Sean | Good Earth Growers | Vegetables & Fruits | Cornwall

Scott | Origin Butchers | Beef, Lamb & Pork | Bristol
